Publications of Dr. K. Rekha Devi:

1. **Devi KR**, Narain K, Agatsuma T, Blair D, Nagataki M, Wickramasinghe S, Yatawara L, Mahanta J. (2010).: *Morphological and molecular characterization of Paragonimus westermani in northeastern India*.

2. Devi K.R., Narain K., Bhattacharya S., Negmu K, Agatsuma T, Blair D., Wickramashinghe S., Mahanta J. Pleuropulmonary paragonimiasis due to Paragonimus heterotremus: molecular diagnosis, prevalence of infectionm and clinicoradiological features in an endemic area of northeastern region of India. Trans R Soc Trop Med Hyg 2007,101, 786-792.

3. Narain K., **Devi K.R**., and Mahanta J. (2005). Development of enzyme linked immunosorbent assay for serodiagnosis of human paragonimiasis IJMR

4. Narain K., **Devi K.R.**, and Mahanta J. (2004). Pulmonary paragonimiasis and smear negative pulmonary tuberculosis: a diagnostic dilemma. *The International Journal of Tuberculosis and Lung Diseases* 8(5):621-622.

5. Narain K., **Devi R.K**., and Mahanta J. (2003).*Paragonimus* and paragonimiasis: a new focus in Arunachal Pradesh. *Current Science* **84** (8): 985 - 987.

6. Narain K., **Devi R.K.**, and Mahanta J. (2003). A rodent model for pulmonary paragonimiasis. *Parasitology Research* **91**: 517 - 519.

7. **Devi K.R**., Misra P.R., Ray S.K.H. & Kar B.C. (2001). Minimum inhibitory concentration of certain Herbal drugs. *The Veterinarian* 25:14-17.

8. **Devi K.R**., Misra P.R., Ray S.K.H. & Kar B.C. (2001). Microbicidal action of certain plant extracts. *The Veterinarian* 25:18-21.
